I Trap 50

Price per Unit (piece): €150.00

Description: 10 reasons to start using the i-trap unit:

- 1) Beautiful design
- 2) 30% improved performance over conventional units due to its unique attraction grid which stimulates the landing behavior of flying insects
- 3) Two powerful 15 watt UV-A tubes and a pheromone enhanced glue board take care of a fast and discrete attraction of all flying insects
- 4) Durable quality material
- 5) Effective coverage up to 50m² of area against flying insects
- 6) Fast and simple maintenance and service of the unit
- 7) Top quality, CE approved with 1 year "return to base" guarantee
- 8) Easy wall mounting by means of a wall mounting strip.
- 9) Suitable for areas which conform up to HACCP standards
- 10) Sharp price
